DETA

zero to cloud micro-app in 300ms
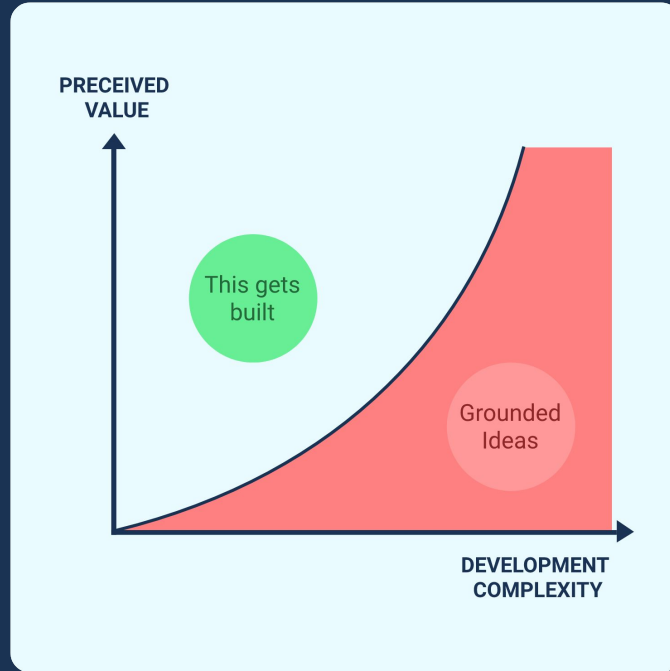

Local Computing:
User Friendly
but Limited, Isolated
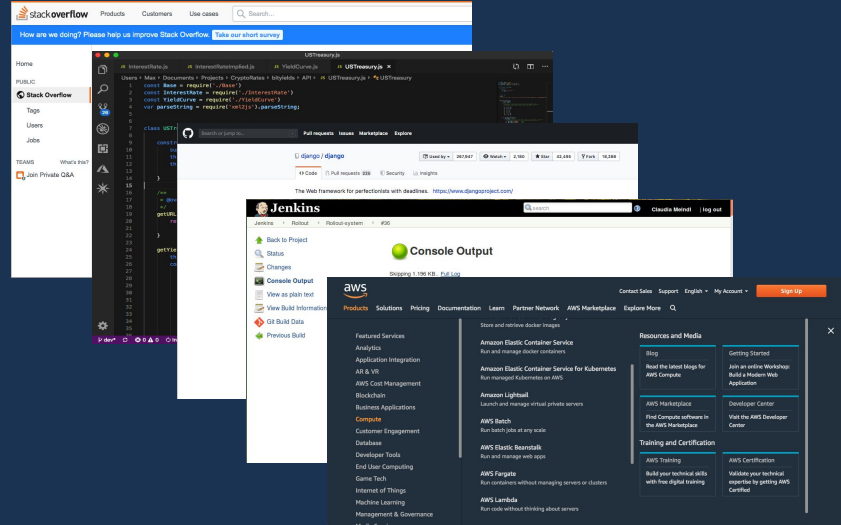

Web Computing:
Connected, Scalable
but Overwhelming

DETA

With no simple approach to creating <u>small cloud programs...</u>

PRECEIVED VALUE

This gets built

Grounded Ideas

DEVELOPMENT COMPLEXITY

...many *cloud ideas* simply don't get built.

DETA

DETA's mission

make it ridiculously easy to get a small app that leverages the internet running in production.
